CLEVELAND MARKET.

CLEVELAND M

NEW YORK MARKET.

New York, Dec. 9.

Flore—There is less activity, but prices are without important change, inferior descriptions have been sold very low for cash, but holders generally do not manifest any great desire to realize, but little export injury and the trade very sparingity; salos, of 3000 bbls at \$8,6243,124 for common to good Ohio. Michigan and Wisconsin. Canadian quiet, holders generally asking \$9,00 for good brands in bond, sales of 200 bbls duty paid at \$9.

Fork—Rather more doing. Holders of mess are forced to submit to easier prices in order to realize. Prime being scarce, is pretty firmly held at previous figures. Sales at \$13,50213,773 for the former, and \$19,374212,60 for the latter.

Corn—Dull. Helders are arking previous prices, but bupers ansist upon the reduction of most samples offered this morning were from previous prices, but bupers ansist upon the reduction of most samples offered this morning were from previous prices, but bupers ansist upon the reduction of most samples offered this morning were from previous prices, but bupers ansist upon the reduction of most samples offered this morning were from previous prices, but bupers ansist upon the reduction of most samples offered this morning were from previous prices.
